

Thank you for choosing Premium Passport! As a part of your subscription to this powerful identity and access management solution, you are welcome to take advantage of the following options to customize the look and feel of your Passport.

Feature	What you get	How to get started	Tips
1. Page title & "favicon"	Your chosen page title and icon that appear in browser tabs	Contact SchoolMessenger Support	<ul style="list-style-type: none"> • Best to limit to 30 characters • Icon should be same height & width
2. Custom subdomain	A custom subdomain at passport.schoolmessenger.com to customize and simplify your Passport login page	Contact SchoolMessenger Support	Use a brief and recognizable name for your district or school.
3. District or school logo	Your logo replaces the Passport logo on the login page and landing page (or the end user "SSO" page)	Contact SchoolMessenger Support	<ul style="list-style-type: none"> • .png or .psd • 333 x 73 px or larger and with similar proportions • transparent background
4. Default Landing Page	Have all end users open to the same group of SSO icons.	Contact SchoolMessenger Support	Set your default after you install 10+ SSO connectors to know what's best.

1. Use your own title & icon.
2. Add a subdomain before "passport".
3. Replace this logo with your own.

4. Set a default to any folder you like.
